

# The ProtectED Rooms Solution

A safe room in seconds.

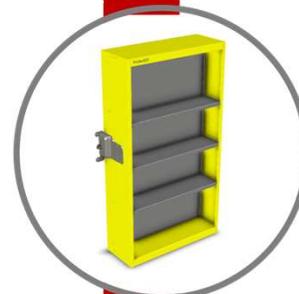

## An Extraordinary Bookcase

The ProtectED Rooms Bookcase is the only practical, easy-to-use, multi-level security solution that provides both physical and psychological security

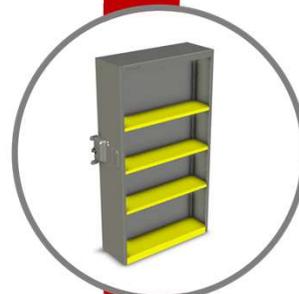

### Protects

Bookcase forms a ballistic barrier and physical barricade over any entryway

### De-escalates

Psychological deterrent aims to de-escalate violent situations and save *all* lives

### Dual Use

Bookcase fulfills its normal function and never presents a militarized appearance
